February 12, 2014

---

An act to amend Section 22942 of the Government Code, relating to public employees' benefits.

LEGISLATIVE COUNSEL'S DIGEST

AB 1681, as introduced, Allen. Public employees: benefits.

Existing law permits the Board of Administration of the Public Employees' Retirement System to authorize an employer to participate in the prefunding of health care coverage and other postemployment benefits for annuitants. Existing law provides certain definitions of terms for purposes of this authority.

This bill would make a nonsubstantive change to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
